

# BlueBox

## SYSTEMS

# THE ULTIMATE FREIGHT TRANSPARENCY

Track Air & Ocean Freight in Real-Time

**Track 120 top airlines, 1600 airports and 40 ocean carriers with just one SaaS-tool independently and in real time. Start tomorrow: BlueBox Systems with it's intuitive UI can be onboarded in one day!**

**Some of many features:**

- > Real time CO<sub>2</sub> reporting + trend analysis
- > Detailed tradelane reporting
- > Performance reporting
- > Proactive notifications (e.g. connection at risk)
- > Access for you and your clients
- > Document handling/sharing
