SOLVING COMPLEX CHALLENGES OF END-TO-END SUPPLY CHAINS
PROVIDING END-TO-END SUPPLY CHAIN SOLUTIONS.

FROM FACTORY FLOOR TO CUSTOMER DOOR.
GLOBAL TRADE IS EVOLVING

NEEDS HAVE EVOLVED
Businesses are prioritising growth through market expansion and growing demand in key markets.

SO HAVE WE
We’re extending our reach, opening new routes and solutions wherever they’re needed.

Consumer expectations for immediate, friction-free shipping continue to rise.

We’re building seamless connections by integrating innovative facilities and multimodalities into an end-to-end supply chain.

The supply chain is now a major focus for business after shocks revealed its importance.

We’re creating better ways of moving goods to market through technology and strategic innovation, making supply chains more visible and reliable.
AND WE’RE CHANGING WITH IT

✓ Brought together some of the world’s largest providers into a seamless global operation, reducing friction and adding efficiencies.

✓ Draw on the expertise of three subsidiaries, offering best-in-class integrated global capabilities.

✓ Clients enjoy one single point of providing a personal, customisable service, which allows for data monitoring against key goals such as sustainability commitments.
BRINGING TOGETHER OUR SUPPLY CHAIN SOLUTIONS

PORTS & TERMINALS
Our Ports and Terminals are gateways that open global trade and make it flow more freely. Our network spans the globe, opening up routes to underserved markets and innovating supply chain solutions that unlock more trade around the world.

LOGISTICS
We use our expertise and infrastructure to connect and simplify global supply chains provide services that drive agility, flexibility and reliability across the supply chain—helping goods to flow faster, smarter, and more sustainably than ever.

MARINE SERVICES
Our wider Marine Services meet highly specialised customer needs in a range of shortsea, offshore and in-port contexts. From feeder to port services and vessel support, we enable creative and novel approaches to moving goods beyond the port for the benefit of businesses and consumers alike.

TECHNOLOGY
We are transforming the global supply chain, using cutting-edge technology to revolutionise how goods and communications flow. This ranges from financing your shipment and making your supply chain more resilient, to expanding into new markets and opportunities for businesses of all sizes.

KEY ENVIRONMENTAL AND SUSTAINABILITY INITIATIVES

DP World is rated ‘Negligible Risk’ in terms of its ESG Risk Rating by Sustainalytics with a score of 8.5 as of March 2022.

ESG Risk Rating improvement:
• Retained first position in the ‘Marine Ports’ sub-industry group
• Ranked 7th in the ‘Transportation Infrastructure’ industry group out of a peer group of 169 companies.

To deliver out sustainability and impact strategy in line with the United Nations SDGs we engage with leading organisations, such as the World Ocean Council, Blue Marine Foundation, United for Wildlife, Logistics Emergency Team, IMPACT2030, Zoological Society of London (ZSL), Space for Giants and in 2020 we became a Global Alliance Founding Partner for the Earthshot Prize launched by the Royal Foundation.

In 2019, we became a signatory to the UN Global Compact and its 10 principles, which encompass human rights, labour, the environment and anti-corruption. In 2020, we issued our Group Human Rights Policy and Statement, applicable to all entities under the operations control of the Group and all DP World Group employees. We also have a Modern Slavery and Human Trafficking policy which commits to identify and address modern slavery in any part of our business and our supply chain.

First international marine and inland trade services provider to join the renowned CDP.

Achieved overall score of Leadership/A- in 2021 with inclusion of new business units. Our GHG Emissions Inventory is verified every year by a third-party auditor in accordance with ISO 14054-3 standard.
DP World is an active member of B4SI, the globally recognised methodology for companies to measure the positive impact they have in the world. Since 2014, Corporate Citizenship has conducted an annual review and assurance of DP World’s community investment data. Over the last 5 years we have directly supported over 1 million beneficiaries with our community programmes.

In 2014, we became a signatory to the UN Women Empowerment Principles. In 2019, we established a Women’s Council and published our Gender Equality Statement in support of our commitment towards gender equality, as we know that ensuring diversity in a business positively correlates with profitability and value creation.

In 2018, DP World repriced and extended its $2bn conventional and Murabaha revolving credit facilities by two years to July 2023. The loan pricing is linked to DP World’s carbon emission intensity.

The first green loan in the region with an Islamic format that links pricing to environmental performance.

Our World Our Future is our sustainability and impact strategy, which guides our approach and helps us work in a responsible way, prioritising sustainability and creating positive impacts on the people, communities and environment in which we operate.
